## Town of Dalhousie

**April 1, 2020**

**Public Service Announcement for immediate release**

### **Update – Water and Sewer payments, parks**

**Dalhousie, N.B.** - The Town of Dalhousie wishes to inform residents that the Town Hall will remain closed to the Public. We asked that citizens make their water payments via Service NB by clicking on the link at the top right of the Town of Dalhousie's webpage. Other options are to mail a cheque or call to pay with a credit card. At this time, we will not be charging any interest on overdue accounts until such time as we return to normal work operation. The Town Hall will remain staffed and can answer any questions concerning bill payments or other related information. If your call is not answered immediately, please leave a message and phone number and we will return your call as soon as possible.

We must also advise that all community parks will remain closed until further notice as suggested by the Province emergency directives. We would please ask that all residents comply.

We are taking these steps to protect our employees and continue to provide essential services to residents. As a community, we all have a part in helping reduce the spread of the virus. **These measures are based on current information and may change as the situation continues to develop.**

We thank you for your continued support during this difficult time.

Mayor, Council and staff  
Town of Dalhousie
