

NOTICE

Spring Clean-up 2022

Every Spring, the Town of Dalhousie offers residents the opportunity to clear out sheds and garages across the municipality.

All Spring clean-up materials must be by the roadside before May 24th for tree branches and leaves and May 30th for all other items as we will only be going by each street once.

Workers will pick up roadside materials from May 30th to June 3rd only.

We will have our clean dump open for leaves and trees on Saturday May 21st and May 28th from 8 am to 12 pm.

Failure to comply with the following Spring clean-up guidelines shall result in residents being charged for removal of material.

Please separate your household garbage from your Spring clean-up materials.

Spring clean-up materials should be separated as follows:

Branches	Wood	Leaves	Other
----------	------	--------	-------

Collection Guidelines

- The quantity of waste at the curbside cannot exceed a pickup truck load 8'x 4'x 3' or 2.4mx 1.2mx0.9m.
- Branches must be no longer than 3 feet long and bundled so that one individual can carry.
- Only those residents receiving regular municipal collection service will receive annual Spring Clean-Up collection.
- Items that cannot be safely handled by two persons will NOT be collected.

Materials Accepted

- Furniture
- Miscellaneous household items bagged or bundled

Materials NOT Accepted

- Liquids of any type
- Propane tanks and tires
- Refrigerators, freezers and air conditioners
- Items that cannot be handled by two (2) people
- Construction, demolition, or home renovation materials including:
 - Counter tops, plumbing fixtures, kitchen cabinets, sheds, fences or other structures, and all new and used lumber
 - Floor coverings such as carpet, linoleum, tile and hardwood floors
